Attendance

Programme outcome: Once again, Students asked several questions about their scholarship to the speakers directly. According to scholarship, each student knows the fixed amount of the scholarship. They have a clear understanding of what information is required to get the scholarship. Those who used to mistakes in application, their mistakes have been removed. Again, accountability has increased our new students in the use of scholarship funds. Student Welfare Cell of Bamanpukur Humayun Kabir Mahavidyalaya is proud to benefit the students with this information.
