Alumni Engagement of the Institution

Significant contribution of the alumni association to the development of the institution through

There is no formally registered alumni association at Bamanpukur Humayun Kabir Mahavidyalaya. But the alumni of this college plays a vital role in the continuance of academic tradition of the college. They financially support several programmes that are conducted on behalf of the alumni specially in the Department of Education. The alumni takes special care to share in finances as a gift of love towards their college. For instance they celebrate the Teacher's Day following the guru shishya tradition which is part of the Indian knowledge system. By financially sharing the costs of such programmes, they prove that the traditions are here to stay in this small microcosm of the college.

Additionally the alumni also play a vital role in repaying their debts to the college by taking classes of ongoing semester. Some alumni of the Department of Education have very enthusiastically taken classes and these classes have been much appreciated. Such small ripples of effort on the part of the alumni prove that the transmission of knowledge from the previous passed out batches to the current ongoing ones are very much a viable option.

Alongside contributing to a healthy academic environment, the alumni plays a key role in participating in major calendar days and occasions. They have for instance come forward to act as volunteers in the Covid Vaccination drive conducted at college and also make it a point to attend ceremonies like flag hoisting on Independence Day.

The subalumni groups are also part of evidence that there is active engagement with the alumni. At the same time whatsapp groups created to spread news of upcoming public examinations, information on e-resources are also shared so that they may benefit from such information.

Sub-Alumni Cell of the Department of Education

One of the most important and active stakeholders of the college are the alumni. They are the assets of an educational institution. An educational institution thrives to ensure the fulfilment of alumni engagement in college activities. The Department of Education, BHKM boasts of Anandadhara, its alumni group established in 2021 which attempt to make ex-students one of the strongest pillar for future growth of this college. At present the alumni groups of the Departments of Education has a total of 23 students. The college administration has focused on the involvement of ex-students in upward improvement of the college through social networking which shall contribute in turn to the social and community development of the area as a whole

Objectives of Anandadhara, sub-alumni group, Department of Education:

- To encourage and promote close relations between the college and its alumni and among the alumni themselves.
- To promote and encourage friendly relations between all members of the alumni body, an interest in the affairs and well-being of the college.
- To provide and disseminate information regarding their Alma Matter, its graduates, Faculties and students, to the alumni.
- To guide and assist alumni who have recently completed their courses to obtain employment and engage in productive pursuits useful to society.
- To do all such things, as may be necessary, or conducive to the attainment of all or any of the objects specified above.
