## The Annual Quality Assurance Report (AQAR) of the IQAC

(For Affiliated/Constituent Colleges)

Institutions Accredited by NAAC need to submit an Annual self-reviewed progress report i.e. Annual Quality Assurance Report (AQAR) to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the IQAC at the beginning of the Academic year. The AQAR period would be the Academic Year. (For example, July 1, 2017 to June 30, 2018)

## Administrative procedures including finance:

In the matter of administration the Governing Body of the College is the supreme authority. It formulates its administrative plans and programmes on the basis of recommendation of different sub-committees and rules, regulations, bye-laws framed time to time by the Government of West Bengal, University Grants Commission and the affiliating University. At the interval of each period it evaluates whether those plans are properly implemented and finds out the problems in implementation of the same and adopts ways to overcome the situation.

In the matter of finance it prepares an annual budget of its income and expenditure on the basis of recommendation of the Finance Committee. The Finance Committee recommends the budget on the basis of past three years experience as well as rules, regulations, bye-laws framed time to time by the Government of West Bengal, University Grants Commission and the affiliating University. At the interval of a particular period it reviews its budgeted actions and finds the way to overcome the situation.

#### Student admission:

In the matter of admission the Institution follows admission rules framed by the affiliating University. However internal rules and regulation regarding admission are recommended by the Teachers' Council following the guidelines of the affiliating University.

## Student records:

Student records of the College are maintained manually. Attempts are being taken to maintain students records by using student software package. Generally students upload their necessary information at the online admission portal and after admission those information are transmitted

to students'software. Then those student data are disseminated to different segments like Academic Council, Teachers' Council, different academic departments and Internal Quality Assurance Cell

### **Evaluation and examination procedures:**

Generally in the matter of evaluation and examination of the students of the College we follow the rules and regulations framed by the University. However it arranges Test Examination following the framework of University level of Examination for the students every year. Students, who qualify at the test examination are allowed for appearing at the University Examination .

Further after publication of result of final University level Examination each of the academic departments evaluates the results of their students and presents the same to the College Governing Body through the Academic Council and recommends the name of the students, who are eligible for felicitation for their academic excellence and specific actions to be adopted for overcoming the challenges if any.

**Research administration:** Research activities of the College are generally conducted by the Seminar & Research Forum. The Seminar & Research Forum looks after the organization of Seminars by the different academic departments, research projects, conducted by the faculty members and their participation and publication.

## Others:

Apart from above the College takes specific plans in various supporting activities through its various organs. At a specific interval it evaluates its performance in those activities and finds the ways to overcome the identified problems.

## **CRITERION-I-CURRICULAR ASPECTS**

## 1.1 Curriculum Planning and Implementation

**1.1.1** Institution has the mechanism for well planned curriculum delivery and documentation.

Regarding curriculum planning the institution does not enjoy autonomy. Curriculum of the different courses is designed by the affiliating University. However three faculties of the institution are the members of the undergraduate Board of Studies of the University. They actively participate in the curriculum designing process of the University. Those apart faculties actively participate in different workshops organized by the University for the same end Faculties also communicates their feedback about the proposed curriculum, when the same is sought by the University.

The institution has well planned mechanism for curriculum implementation. At the beginning of the every academic session the Academic Council consisting of the Head of the all the academic departments prepare systematic planning to ensure implementation of the curriculum with due consideration to the time line framed by the University. For the purpose of documentation of the same academic council publishes Academic Calendar every year, which contains full information about the curriculum implementation of all the subjects taught in the institution and the same is distributed among the students.

**2.3.2** Students mentoring system available in the institution? Give details.

In our students mentoring system starts at the very beginning of the admission process. Students, who are admitted in UG 1<sup>st</sup> year are to appear at verification and counselling as a prerequisite for their final admission. At this verification process newly admitted students come to the touch of the teachers. Teachers give their valuable suggestions to the students about the utilities of different subjects, which are taught at present. They also ensure necessary counselling of the students about their willingness and capabilities for different subjects and suggest subjects, which are suitable according to capabilities of the later. They also discuss in details about job prospects of different subject, which are taught in the institution. Not only that but also the teachers inform the students about the discipline, rules and regulations of the institution.

In this session, all of the department have made one day orientation of the students at the seminar hall where teachers from other colleges, board of studies and universities were invited and they gave valuable suggestions and orientation to the students.

Those apart the career counselling cell conduct student mentoring throughout the year. The cell informs necessary information about the different jobs in different Government and non-government organizations. It also facilitates the students to have different information about the different professional and skill development courses through internet. It also organizes different workshops, seminars to enhance employability of the students.

This college has no system of designing separate budget for maintenance of academic facilities and physical facilities. Every year in the annual budget a consolidated budget for maintenance of academic as well as physical facilities are fixed on the basis of last years' indexed expenditure. Expenditure are incurred throughout the year on the basis of that budget. At the end of the year actual amount is compared with budgeted amount to find out the deviations. Apart from college general fund maintenance of facilities are also done from available UGC grants and any other available grants.

They also communicate their valuable suggestions to the University about the same when those are sought from them. \* Teaching and Learning: Teaching and learning of the institution is monitored by the academic council, which consists of Head of all the academic departments. Every year academic council prepare academic calendar in order ensure systematic curriculum enrichment. It also prepares class routine with the class routine sub-committee strictly following the guideline issued by the affiliating University and relevant orders of the Government. It also determines tentative schedule of Internal Examinations. At the end of every academic session it also evaluates results of the final University Examination and sends the same to the Internal Quality Assurance Cell. \* Examination and Evaluation: In the matter of examination and evaluation the institution strictly follows the rules and regulations of the University. For conducting University Examinations it has examination committees, formed on the basis of the recommendation of the Teachers' Council. University Examination Committee under the Centre-in-charge ship of the Head of the Institution conducts all the necessary affairs relating room allotment of the students, duty allotment of the teachers and staff and all the other allied activities of the same. Not only that the same committee also conducts internal test examinations sufficiently before the University Level Examination. Few teachers of the institution are also belonged to the University Examination Flying Squad. Research and Development: The institution continuously maintains an academic environment, which is also conducive for research and development. Its central library contains considerable number of resources, which are used by the faculties for their research purpose. It also posses lot of IT resources with high speed internet connections, \$ Library, ICT and Physical Infrastructure / Instrumentation: Central Library of this institution is a matter of pride. It contains lot of resources, which can be used for academic as well as research purpose. Considering its ever increasing demand last year we have renovated the same. The institution also possesses considerable ICT infrastructure. Last year it has also installed aadhaar based bio-metric attendance terminal and the necessary software of the same has been supplied by NIC, Government of India Undertaking. Regarding physical infrastructure the institution continuously strives for its improvement and renovation. It has renovated the ground floor of main building during last year under RUSA. \* Human Resource Management: The institution strives for systematic efforts towards optimum utilization of human resources. It distributes the responsibilities of different academic, research and allied activities amongst the faculties on the basis of recommendation of the Teachers' Council. It also allows its faculties to participate at different faculty development programmes in order to uplift their expertise. For the non-teaching staff it also possesses systematic allocation of duties considering the necessity of the institution and their capabilities. ÷ Industry Interaction / Collaboration : Regarding industry interaction/collaboration the institution mainly uses the platform of organizing different seminar/conference and extension programmes. During last year as many as seven extension programmes were organized by its NSS Unit, details of which are given in point 3.4.3. Those apart its career counselling cell organized two important student welfare programme in collaboration with non-government organizations. ÷ Admission of Students : The admission of UG1<sup>st</sup> year students of this institution is guided by the rules and regulations of the affiliating University and the Government of West Bengal. As per standing norms of the Government of West Bengal it

		Se and a				
	follows the on line admission sys	tem of UG 1st year students. For t	his purpo	ose it maintains a separat	te admission portal in	
	collaboration with a non-governm	ent agency and a link is also provi	ded at the	e college main website.		
<b>6.2.2</b> :	Implementation of e-governance	in areas of operations:				
*	Planning and Development: In th	e matter of implementation of e-go	overnance	e in the area of planning	and development the	
	initiative of the institution is pra-	aiseworthy. It follows e-tender pr	ocedure	for selection of bidders	for any construction,	
	renovation work and procuremen	t of any items and equipments val	lue of wh	ich exceeds Rs.50,000. Fo	or this purpose it has	
	enlisted itself at the e-procuremen	t portal of the Government of Wes	t Bengal			
*	Administration: In the matter of a	dministration it also strives to imp	lement e	-governance as far as pos	ssible. It disseminates	
	all the necessary information to its	s students and all the other stake he	olders thr	ough its website and also	maintains necessary	
	communication with the West 1	Bengal State University and the	Governm	ent through email. Very	recently it has also	
	decided to develop a college app t	o maintain close communication w	vith its st	udents and other stakeho	lders.	
*	Finance and Accounts: In the ma	atter of Finance and Accounts the	institutio	on also strives to implem	ent e-governance. Its	
	accounting system is fully autom	ated by the use of accounting soft	ware pac	kage. Very recently it has	also implemented the	
	system of payment of amount me	ore than Rs.500/- in a singly bill d	irectly to	the bank accounts of the	e beneficiary through	
	NEFT/RTGS or fund transfer.		-			
*	Student Admission and Support: S	Student admission of this institutio	n for UG	1st year students are total	lly conducted through	
	online admission system. A stude	ent only comes to the college wher	his/her a	admission is completed at	the online admission	
	portal. Further in the matter of stu	ident support the institution also	implemen	t e-governance though f	acilitating students to	
	have different information throug	h the college website and to apply	for diffe	rent scholarships throug	h the respective web	
	portals. The institution also verifie	es the applications through those p	ortals.			
*	Examination: In the matter of exa	minations the institution has very	y little sc	ope to innovations. It is	fully guided by the	
	affiliating University. However for	or the interest of implementation	of e-gove	ernance the institution h	as started to deposit	
	necessary examination fees to t	the University directly to the Ba	nk accou	nt through NEFT/RTGS	and also it collects	
	different information from the University about the examinations through the University website and disseminates that					
	information to the students and fa	culties through its website.
